Calm coloring for 9yr olds and Up

IDEAS FOR COLORING

Students can enjoy coloring in these intricate designs but if they are feeling creative, they can also fill the spaces with different marks and shapes.

Here are some suggestions:

These coloring pages are great as:

- ★ Calming activities
- ★ For early finishers
- ★ Fine motor control practice

TERMS OF USE

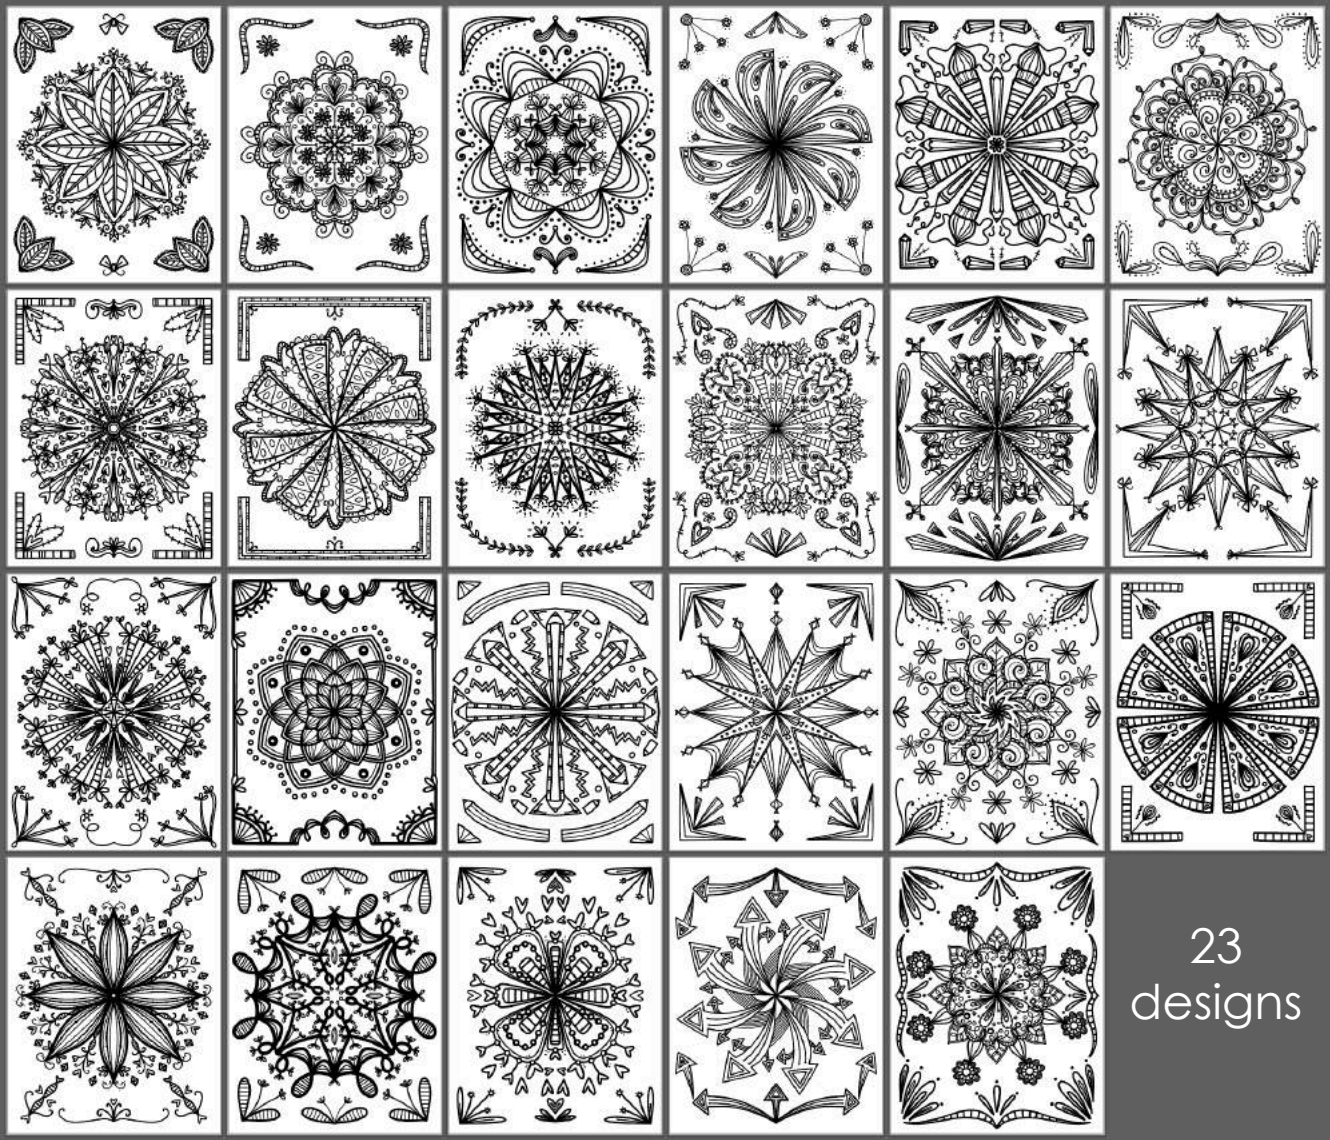

- Coloring pages can be printed out and used for personal use within your institution.
- No part of this coloring book can be taken and used within another product.
- The images cannot be copied or used to create other pieces of clipart.
- The pages in this book may not be resold or shared in free or paid products.
- Creating your own coloring books with Educlips clipart is not permitted under the terms of use.
This book is possible because I am the original artist of all of the images in this book.

Thanks for respecting the terms of use!

Enjoy coloring!
