

TLC'S SCCV LEGACY FUND 2023 ANNUAL REPORT

About

It continues to be a deep honor to be stewards of the Sonoma County Children's Village Legacy Fund. Orthodontic and dental care are urgent needs for foster youth in our community. Being able help youth access these services has such a direct, positive impact on their lives.

A Year in Review

TLC SCCV Legacy Fund & Orthodontic Program

In 2023, 45 youth were served vs 33 the previous year. The majority of youth reported struggles with self-esteem due to their need for orthodontic care. Many youth needing dental care, struggled with pain and found relief after receiving services. These vital services help youth with their confidence, feel better overall, and ensure the longevity of oral health. Youth and families served, expressed gratitude for the program. We're excited to see more and more youth served as the program carries forward.
